

Sale Name: Classic Vehicle Collection Auction American Automotive History a Montana Collection

LOT 7 - 1960s Glastron Powerboat with Trailer

Description

Fiberglass hull in distinctive turquoise and white color scheme. Features original "Glastron" script badging from Austin, Texas. Classic mid-century modern styling with forward control configuration and sport boat design. Montana registration number MT-904-AFP still visible.

Condition notes: Missing engine, steering wheel, seats, and most mechanical components. Fiberglass hull remains structurally intact but shows areas requiring patching. Windshield frame present but glass missing. Original instrument panel empty. Interior surfaces weathered but restorable. Control panel requires complete replacement. Original Glastron badging still intact on hull. Trailer included with basic frame structure. Refer to the pictures and in-person inspection for condition.
