LOT 13 - 1960s Fiberglass Runabout with Trailer

Description

Fiberglass hull in distinctive white with coral/pink interior accent color. Features classic 1960s styling with curved windshield and simple control layout. Includes engine and severely deteriorated trailer with rust damage.

Condition notes:

Engine present but condition unknown and requires assessment. Original windshield frame present but glass cracked or missing. Fiberglass hull appears structurally sound with minimal visible damage. Interior components largely intact but weathered. Steering components partially present. No seating cushions or upholstery remain. Trailer shows severe rust deterioration and may not be roadworthy without significant repair.

Refer to the pictures and in-person inspection for condition.
