

Sale Name: Classic Vehicle Collection Auction American Automotive History a Montana Collection

LOT 19 - 1957-1960 Nash Rambler American 2-Door Sedan

Description

Steel body vintage American compact car with V-emblem front grille and original coral red paint. Complete exterior trim with chrome bumpers and contrasting interior.

The 1957-1960 Nash Rambler American features distinctive minimalist styling with its compact unibody design, representing American Motors Corporation's economy car offering. This vehicle displays the original coral red finish with characteristic two-door sedan configuration and front V-badge emblem.

Condition Notes:

Missing passenger door glass. Rear axle not original. Engine non-functional. Body shows extensive surface rust but appears structurally solid with complete chrome trim. Interior has significant deterioration with exposed seat springs and floor pan damage. Wiring harness appears compromised. Dashboard components partially intact with original gauge cluster.

Refer to the pictures and in-person inspection for condition.
