

Sale Name: 14th Annual Montana Spring Auction

LOT 10 - Paul Reed Smith Hollowbody II Flame Maple Guitar

Description

PRS (Paul Reed Smith) Hollowbody II Flame Maple Guitar with Case (2009)

Figured flame maple top with distinctive F-hole semi-hollow design. This 2009 Paul Reed Smith Hollowbody II features premium flame maple construction with an elegant amber finish showcasing the wood's natural figuring. Crafted with signature PRS quality, this instrument includes dual humbucker pickups with cream/gold surrounds, PRS-branded locking tuners, and original hardshell case.

Construction features include a maple neck with rosewood fingerboard adorned with mother-of-pearl bird inlays. Notable hardware includes a stop tailpiece bridge, dual volume/tone controls, and amber-colored speed knobs. The guitar retains its factory setup and electronics.

Serial number 145195 confirms this as an authentic PRS instrument manufactured in 2009. This guitar includes its original hang tag, warranty card, and case candy documentation.

Condition Notes:

Minor finish polish marks consistent with light, careful use. No structural damage, cracks, or repairs observed. All electronic components function properly. Original hardware intact with no modifications or replacements. Fretboard and frets show minimal to no use, indicating limited playing time. Refer to the pictures and in person inspection for condition.

Quantity: 1
