

**Sale Name:** 14th Annual Montana Spring Auction

**LOT 26 - 14K Gold Solitaire Marquise Diamond Ring**

**Description**

**Classic engagement-style ring with 0.35ct marquise diamond in 14K gold setting**

14K yellow gold solitaire ring featuring a 0.35-carat marquise-cut diamond center stone secured in white gold prongs. This elegant design showcases a sophisticated bypass mounting with asymmetrical split shank that elegantly frames the center diamond.

This timeless engagement-style piece presents clean, flowing lines with sculpted gold shoulders that direct focus to the vertically-set marquise diamond. The contrast between the warm yellow gold band and white gold prong setting enhances the stone's brilliance. The ring weighs 5.70 grams as verified on the digital scale shown. Interior hallmarks include maker's mark and 14K gold purity stamp.

**Condition Notes:** Ring shows minor surface scratches to band consistent with gentle wear. Diamond appears bright with good clarity. No evidence of repairs or alterations. All prongs secure and intact. Refer to the pictures and in person inspection for condition.

**Quantity:** 1
