LOT 28 - 14K White Gold Princess Cut Diamond Solitaire Ring

Description

Classic princess-cut diamond engagement ring with cathedral setting

14K white gold solitaire ring featuring a 0.75-carat princess-cut diamond center stone secured in a four-prong setting. This elegant design showcases a traditional cathedral-style mounting that elevates the diamond for maximum light reflection and brilliance.

This timeless engagement ring presents clean architectural lines with a polished finish and subtle tapering toward the center stone. The square-shaped princess cut diamond provides excellent fire and brilliance while the cathedral setting offers secure stone placement and an elevated profile. The ring weighs 2.77 grams as verified on the digital scale shown. Interior hallmark confirms "14K" gold purity.

Condition Notes: Ring shows minimal surface wear consistent with gentle use. Diamond appears bright with good clarity. Prongs remain secure with no evidence of repairs or alterations. Refer to the pictures and in person inspection for condition.
