

Sale Name: 14th Annual Montana Spring Auction

LOT 56 - 1879-S Morgan Silver Dollar ICG AU50 Rev.78 Top 100

Description

Silver dollar displaying attractive antique toning with strong design details from the San Francisco mint. This collectible Morgan dollar has been professionally certified by ICG as About Uncirculated (AU50) with the special designation "Rev.78, Top 100" indicating a sought-after variety.

The coin features the classic Liberty head portrait by designer George T. Morgan on the obverse, struck in 1879 at the San Francisco mint as indicated by the "S" mintmark. The reverse displays the American eagle design with outstretched wings, featuring the rare 1878 reverse hub variety that collectors prize. Professional encapsulation preserves the coin's historical integrity and authenticity.

Condition notes: Graded AU50 by Independent Coin Graders (ICG), indicating light circulation wear with approximately 50% of the original mint luster still present. The coin shows even, natural toning throughout with no major detracting marks or damage. Securely housed in a tamper-evident ICG holder with GSA authentication. Refer to the pictures and in person inspection for condition.

Quantity: 1
