

Sale Name: 14th Annual Montana Spring Auction

LOT 52A - Vintage Wrought Iron Curb Horse Bit

Description

Condition Notes: Missing silver mounting pieces on one side. Intact overall iron structure with stable rings and connectors. Surface shows consistent age-appropriate patination with expected oxidation and weathering. Some minor areas of pitting visible on metal surfaces. No breaks or significant structural damage to the iron components. Refer to the pictures and in person inspection for condition.

Quantity: 1
