Description

Offered here is a 2010 Chevrolet Camaro RS Coupe in a striking metallic blue finish with silver rally stripes. Built in July 2009 by General Motors of Canada, this example represents the fifth-generation revival of Chevrolet's legendary muscle car.

Powered by a V6 V-shaped engine paired with a 6-speed manual transmission, this Camaro delivers classic rear-wheel-drive performance and sharp handling. With only 3,950 original miles, it stands out as a remarkably low-mileage example.

The RS package includes signature HID headlights, RS badging, and 20-inch factory alloy wheels, giving the car a bold, aggressive look to match its performance heritage.

Features and Highlights:

- VIN: 2G1FG1EVXA9130464
- 6-speed manual transmission
- RS package with factory rally stripes
- Just 3,950 original miles
- V6 engine with rear-wheel drive
- Clean Montana title present
- Personalized plate not included in sale
- Car Cover Included

Condition Notes:

Vehicle presents in like-new condition with one minor cosmetic flaw: a small dent above the front passenger-side wheel well, just above the running light. No other issues noted. Refer to the pictures and in-person inspection for condition.
