**LOT 2a - Lund Fishing Boat w/ Mercury 50HP Motor & Trailer**

**Description**

Aluminum hull construction with deep-V design featuring blue and silver factory finish. This Lund fishing boat displays clean lines with "LUND" lettering on the port side and Montana registration MT3762AF. Equipped with Mercury 50HP outboard motor model 1F51412YD, serial number OT192661, featuring electric start and power tilt/trim functionality. Engine shows standard Mercury components including carburetor system, flywheel assembly, and marine cooling system throughout.

Boat includes two fold-down seats, center console with steering wheel and throttle controls, custom electrical panel with rocker switches and digital voltage display, and mounted Humminbird fish finder/GPS unit. White bimini top provides weather protection. Console features clean gauge layout and switch panel for navigation lights and accessories. Hull construction shows typical Lund quality with welded aluminum seams and marine-grade hardware.

Complete package includes Shoreland'r single-axle trailer with surge brake system, galvanized frame construction, adjustable tongue jack, and tie-down straps. Trailer appears road-ready with serviceable tires and proper lighting connections.

Boat and trailer both have titles.

2022 Homemade Boat Trailer

**Condition Notes:** Engine starts and runs strong. Lower unit near prop has small crack from improper winterization and will need to be replaced - should be a fairly easy fix. Hydraulic tilt pump is non-working and will need replacement. Minor scuffs and wear consistent with normal marine use visible on hull exterior. Engine compartment shows typical marine environment oxidation and wear. Trailer tires appear serviceable. Missing or covered components not visible in current configuration. Refer to the pictures and in person inspection for condition.
