**LOT 45 - 2018 China Moon Festival Panda 3-Coin Silver Set NGC**

**Description**

This complete 2018 China Moon Festival Panda three-coin silver set represents a special commemorative release from the China Mint featuring the iconic panda design with moon festival themes. Each coin contains one troy ounce of .999 fine silver and incorporates a genuine white jade "moon" gemstone insert, making this a unique hybrid of precious metal and gemstone collecting. The set includes three separate

coins, each professionally graded and encapsulated by NGC (Numismatic Guaranty Corporation). Two coins are graded PF 70 Ultra Cameo (perfect proof condition) while one is graded MS 70 (perfect mint state condition), representing the highest possible grades for these pieces. All three coins feature "First Day of Issue" designations, adding to their collectible appeal. This Moon Festival series represents the fourth year of this popular program from the China Mint, featuring the beloved panda motif combined with traditional Chinese lunar celebration themes. The coins showcase detailed engraving work with the classic panda design and incorporate the distinctive jade moon insert that sets this series apart from standard bullion pandas. Condition Notes: All three coins are in perfect NGC-certified condition with grades of PF 70 Ultra Cameo (two coins) and MS 70 (one coin). Coins remain sealed in original NGC holders with no visible defects. Complete original presentation box with red velvet interior and informational materials included. Box shows minor shelf wear but remains structurally sound. Refer to the pictures and in person inspection for condition.
