**LOT 9A - Honda Trail 90 CT90 Vintage Motorcycle**

**Description**

Steel frame construction with Honda's signature red factory finish. This Honda Trail 90 CT90 vintage motorcycle features the iconic step-through design with high-mounted exhaust and dual-purpose capabilities. Equipped with Honda's reliable 90cc four-stroke single-cylinder engine with automatic clutch transmission. Engine displays Honda branding on cylinder head cover and shows typical air-cooled construction throughout.

Motorcycle includes original speedometer showing 22,659 miles, chrome rear luggage rack, center stand, and knobby tires for trail use. Frame shows "Trail 90" badging on side panels with period-correct styling elements. Features include telescopic front forks, dual shock rear suspension, and spoke wheels with chrome rims. Chrome exhaust system with heat shield and skid plate protection visible.

Package includes box of miscellaneous parts and accessories for restoration or maintenance. Vintage motorcycle displays classic Honda engineering with step-through frame design that made the Trail series popular for both on-road and light off-road use.
